All hunting and fishing licences must be purchased before you arrive at the camp. If you would like to purchase them in the town of senneterre they are available at the Ultra-Mar gas station located at the intersection of 10th street and parc avenue. This is also a good place to fill up on fuel for your vehicle. you will be able to purchase the boat fuel at the lodge. The Ultra-Mar station has a small convenience store to purchase any last minute items that you may need , [milk ,bread, worms, ice etc].

There is a grocery store , along with other shops and restaurants along 10 street in the town . This will be the last area to purchase anything you may need, so please try to plan ahead to eliminate any problems. We only have a limited supply of bait at the camp so please bring enough for your group for the week.

things to bring along ; all of your food and drinking water, sleeping bags, pillow, fishing equip.,flashlight ,toiletries, rain gear, warm clothes ,lantern, etc.
