### To Lake Maseres from Senneterre

From 10th Avenue turn Right onto Rue du Parc ( Parc Rd. )

Follow Parc Rd to Mont Bell, turn Left.

You will come to an intersection with a stop sign, turn left to follow 806.

Follow 806 to the 26km marker where you will turn Left onto 807.

There will be a Senneterre Outfitters sign at each intersection from this point. You will remain on 807 for quite a long time ( don't worry, you're going the right way).

Follow 807 to the 140km marker where you will turn Left onto Rd 100.

Follow 100 for a few miles to Rd 150. Turn Left onto 150 and this will take you directly to the main camp.

Along the way you will see several signs for Senneterre Outfitters, just follow the signs and you will drive directly to camp. Occasionally the signs get destroyed or the brush grows up around them. I will do my best to keep the signs in good condition, however you will need to also be looking for the road signs for Rts 806, 807, 100 and 150. These are all left turns.

I'm looking forward to seeing you this season at Senneterre Outfitters.

Please drive safely.
