

Moose Hunting

Moose Hunting

^ Senneterre Outfitters is located in one of the most remote territories in Quebec. The size of our hunting area and the heavy Moose population make this an ideal destination for Moose hunting enthusiasts.

There are many different methods to moose hunt on our territory. You can walk and stalk, float, watch a clear cut from an established tree stand, or try cow calling. Bow, muzzleloader, and rifle hunters are welcome.

^ ^ ^ ^ ^ ^ Your hunting group will stay at the main camp. Each group will have a fully equipped cabin with hot and cold running water, woodstove for heat, propane stove for cooking, refrigerator, private bathroom, and fully equipped kitchen.

* We offer self-guided group moose hunts include 1 cabin, 1 boat and motor per group for the hunt. 2 person minimum, 6 person maximum per cabin. License fuel and taxes are additional cost. Deposit \$1,000.00 per group. * Fully guided tours are available upon request. (at additional charge)

* All hunts are seven day hunts; Saturday to Saturday

* The number of hunting parties is limited so please book your trip early to assure your requested accommodations are met.

Our Moose Hunt and Fishing Package includes: 1 boat per 2 persons. 4 person minimum per cabin.

If you would like, bring your ATV there are hundreds of miles of logging roads to be explored.
