### Bear Hunting

Click on picture to watch Becky's bear hunt - Great Video !At Senneterre Outfitters Bear are plentiful, with trophies ranging from 250 to 400 lbs. Each bear stand will be baited regularly before you arrive. You will be hunting from a tree-stand approx. 12 feet high, or a ground-blind which ever you request. All bates are between 15-30 yards to ensure an excellent shot. Our success rate averages around 90%. Both bow and rifle hunters are welcome. With the bear hunt fish combo you can also enjoy fishing on the Maseres Lake. Our seven-day bear hunt combo includes one boat and motor per two hunters, a fully equipped cabin and guide to take you to your stand (first time) and assist you with your hunt.
