

Accommodations

Accommodations

When you arrive at our main camp you will find 4 modern house-keeping cabins. Each cabin is equipped with: woodstove for heat, propane stove for cooking, private bathroom, hot and cold running water, refrigerator, and fully equipped kitchen.

Our cabins have bunk-beds with six inch foam mattresses. They accomodate 6-8 people per cabin. Electricity is supplied at the main cabins by generated power that runs from dusk till approx. 12 pm.

Telephone and internet access is available at the main camp. Check out our specials for kids under 16.

Out-Post Cabins

Our out-post cabins are accessible by boat. Each out-post cabin is equipped with: propane stove, light, refrigerator, woodstove for heat, and fully equipped kitchen. Each out-post cabin has bunk-beds with mattresses, hot and cold running water, gas powered generator for electricity and indoor shower.

Things you should bring:
Food and drinking water, sleeping bag, pillow, life vest, fishing gear, rain-gear, personal items, etc.

Fishermen will appreciate our NON LEAKING boats. Boat cushions, paddles, and anchors are furnished with each boat. Gas is extra. Our fleet of boats is equipped with new 15hp Mercury 4 stroke engines. This will assure you will have plenty of time to spend fishing. With separate fish cleaning facilities you can clean your fish somewhere besides your sleeping cabin.

Carefully maintained motors will assure easy starting.

Remember to take a kid fishing;
it'll make memories that last a lifetime
